10th International Symposium on Mechanics of Materials and Structures

June 2-6 2019, Augustów, Poland

Honorary patronage
Committee on Mechanics
Polish Academy of Science

Polish Academy of Science
Committee on Mechanics
Section of Mechanics of Materials

Polish Society of Theoretical
and Applied Mechanics

Department of Mechanics
and Applied Computer Science
Faculty of Mechanical Engineering
Białystok University of Technology

ANNOUNCEMENT

Topics

1. fracture mechanics,
2. damage mechanics,
3. fatigue of materials and structures,
4. plasticity and creep,
5. inverse problems - identification of the damage,
6. mechanics of composites,
7. mechanics of advanced materials (SMART, gradient, nanomaterials),
8. contact mechanics, problem of surface layer,
9. termomechanics,
10. biomechanics, biomaterials, biocybernetics
11. structural dynamics,
12. strength and safety of structures,
13. dynamic loading and impact,
14. waves and fracture in complex and lattice structures,
15. mechanics of processes,
16. micromechanics.

Location

The symposium will be held in the holiday center *Oficerski Yacht Club RP "Pacific"* which is located by the White Lake in Augustow. The small peninsula underlines perfect scenery values of this place. The center, rimmed by old pine forest, near the Augustow Forest, is an oasis of silence and calm. We hope this scenery will favourable work and rest during the conference.

During the symposium we would like to propose a bonfire, revel in rustic existence, a passenger ship trip along the Augustow Canal and surrounding lakes, captive ballooning, one-day trip to Kaunas and banquet.

Papers

The paper should be prepared in two forms. The first (required) - two page abstract (one sheet) - will be included in conference proceedings. The second (not necessary) - with no page limit - will be published in .pdf

format in electronic version. Detailed information about papers preparing can be find on our website. After revision selected articles will be published in *Acta Mechanica et Automatica*.

The papers will be presented in oral and poster sessions. Authors should declare a form of presentation: oral or poster session. Simultaneously, for plenary session, please specify the subject area - according to the numbers above. The Scientific Committee will make the final classification of the papers. One author (co-author) can present maximum two papers. Official language is English. In special cases Polish language can be accepted.

Declaration and paper in the electronic version should be send by traditional mail or using the web site: www.ismms2019.wm.pb.edu.pl.

Deadlines

- registration: **March 15, 2019**
- paper submission: **March 31, 2019**
- papers acceptance: **April 15, 2019**
- date of payment: **May 15, 2019**
- conference programme: **May 25, 2019**

The conference fee

The estimated cost of participation in the conference is 1800 PLN (420 EUR). For members of Polish Society of Theoretical and Applied Mechanics - 1700 PLN (400 EUR). The fee for participants includes: accommodation, meals, ship trip, trip to Kaunas captive ballooning, banquet and conference materials.

Bank account:
Bank: **SGB-Bank S.A.**
(Bank Spółdzielczy w Białymstoku)
Account no: **PL21 8060 0004 0003 2405 2000 0010**
Swift Code: **GBWCPLPP**
Title of payment: **ISMMS2019**

Application Form

10th International Symposium
on Mechanics of Materials and Structures

Please use BLOCK CAPITALS
